Christian Leadership

As we read about the Apostle Paul we learn that he was many things. For example, he was “Circumcised the eighth day, of the stock of Israel, of the tribe of Benjamin, an Hebrew of the Hebrews; as touching the law, a Pharisee.” (Philippians 3:5) Along with his Jewish background, Paul was also a skilled Christian leader, revealed in the way he managed division in the Church at Corinth (1st Cor 1:10). When the members started to align themselves with different people, including Paul, Cephas (Peter), and Apollos (1st Cor 1:12), Paul did not degrade Cephas or Apollos so that folks would pay more attention to him. Instead, Paul stressed that Christ was not divided! (1st Cor 1:13) Moreover, Paul uplifted Apollos as a minister the Christians believed in just as they believed him (1st Cor 3:5). This is how Christians should be towards one another. As the world may attempt to destroy one another when one person is pitted against another, especially when it comes to position of status and power, Paul taught unity so that Christians may put division aside, for we are all one in Christ (Gal 3:28).
