Also if you are willing to teach please let Causie know. If you've never taught before and are interested in doing it we can pair you up with an experienced helper.

*Remember Your Secret Sister*

*My Brothers Keeper*  
By...Wilson Adams

We've all gone through tough stuff. –The kind of stuff that leaves you reeling, wondering, and struggling... with fellow believers who may not have been there for you.

I get it.

I also get the 200+ verses that link me to a special and spiritual union in Christ (“Therefore, if anyone is IN CHRIST...”. There's something else you need to know about this special union. The same union that links you with Him, links you with them.

“We are ONE BODY [church] in Christ...” Which is the very reason Jesus-followers are called a “body.” These are not two separate things, but one. We are not just members of Christ, but also members of one another. Remember when Paul was persecuting Christians? Jesus said, “You are persecuting ME.”

All of which says, I will do all I can to lift up my struggling spiritual siblings. Sometimes I don't do a very good job and I hope they will be merciful. Sometimes I've had to leave one church family for another because of painful hurts. I get that, too. But I will not quit on Him -or them. Because we are linked together in something special.

Am I my brothers' keeper? Yes. I seek fellowship with those who seek Scripture in a place where I can use my life experiences to lift up others. That's a big reason I assemble. I'm looking to encourage someone (sometimes I need the encouraging). BTW, each of those “one another” admonitions are there for a reason: We need “one another.”

In the meantime, I want to learn from mistakes, show mercy where it has been lacking, and keep on keeping on. I'm in. You?
