Evangelism by The Church At Monroe, Georgia

Our Lord made the following statement when giving the Great commission, "And Jesus came and spoke to them, saying, *All authority has been given to Me in heaven and on earth. 19 Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.*" Amen (Matthew 28:18–20; NKJV).

It will take help to misunderstand our Lord's intend by the above words. He charged His disciples to go into the world and teach the Gospel message to the lost and dying people.

We, the church at Monroe, are doing some great work for the Cause of Christ in the area of evangelism. We have several members who are trained in evangelism and are putting that training to work. In fact, we have at least four studies ongoing every week.

We have several methods to use to help the teacher study with non-Christians. First, we have the Jule Miller Studies. These studies were on film strips, but now they are on CD's or DVD's. It is a proven method which has been used by the Lord's church for decades. However, due to technologies this method is not used as much as it once was.

Ivan Stewart's Open Bible Studies are used at Monroe as well. This method is closely related, or it seems, to the Fishers of Men Method. The Fishers of Men has more lessons, but both methods are very effective. Personally, this author uses both. Depending on the situation; that is, how much a person knows will determine the method used. This author prefers the Fishers of Men method because of the numbers of lessons. Brother Ivan Stewart and Fishers of Men are Self-discovery. Both methods require training, in fact, several weeks of training for the Fishers of Men. One thing the teacher can be sure is that after the training, he/she will be well prepared to teach someone how to become a Christian. I have found that some students will not take the training since it requires twelve weeks of training, but it is worth every minute.

We provide support for Brother Garry Jones in his efforts to spread the gospel to India. They are also providing for 30 orphans at "The Mustard Seed Village" and are running a Preacher School. Theophilus Biblical Institute, a two-year preaching school, saw its first graduating class in 2010. Brother Garry Jones gives a report of the work every August and is scheduled for August 2019. We encourage all of the members of the church at Monroe to pray for his work and encourage Brother and Sister Jones.

We are supporting the work in Perry, Georgia. Usually, Brother Hamby has come to Monroe on a fifth Sunday and preached and gave a report of the progress of the work. We are grateful for the opportunity to help in this work. Please pray for this work that it may grow.
